

Program on “Effective Management of Time and Excellence for Controlling on Work Pressure”

The General Department of Organization and Administration organizes a program on “Effective Management of Time and Excellence for Controlling on Work Pressure” through Human Resources Programs to develop the administrative skills for the administrative body of the University and its faculties. The program will be held in the duration from Monday 15/04/2013 to Thursday 18/04/2013 at the Great Hall of Celebrations from 10:00AM to 12:00PM.
