«1620 projects National Projects has been finished from September 2015 to September 2016 at the cost of 150 billion L.E» Says the Local Development Minister

Dr. Ahmed Zaki Badr, the Local Development Minister asserts that the national projects which are carried out nowadays are the main pillar for prosperity and development. He also classifies these projects into two kinds: the strategic national projects and cities and villages related national projects. He stresses that there are 1620 projects has been finished from September 2015 to September 2016 at the cost of 160 billion L.E. this statement concurs with his presence in the national big projects which was organized by Benha University under the auspices of Asraf EL-Shihy, the higher education minister , general/ Amr Abd el- Moniem, Qulybia Governor and Prof.Dr. El-Sayed EL-Kady, the university president.
