Dr. Ahmed Darwish: «The Suez Canal development project is the greatest one in the history of Modern Egypt»

Dr. Ahmed Darwish, the head of Suez Canal development board asserts that the new Suez Canal project is scientifically-based one and it is the greatest project in the history of modern Egypt. He also says that this project will contribute to the development of Egypt.

He indicates that the economic reforms of the government will help to develop the Suez Canal territory. This statement concurs with the national big projects forum which was organized by Benha University under the auspice of Dr. Ahmed Zaki Badr, the Local development Minister, Dr. Ahmed Darwish, the head of Suez Canal development board, Dr. Kamal Gad Shawiram, the President's chancellor of Projects Development and The general/ Amr Abd el- Moniem, Qulybia Governor.
