«Building Six Tunnels to transport Five million populations to Sinai» says the President's chancellor of Projects Development

Dr. Kamal Gad Shawiram, the President's chancellor of Projects Development asserts that the state is now building 6 tunnels to transport 5 million populations from the valley to Sinai. This statement concurs with his presence in the national big projects forum which was organized by Benha University under the auspice of Dr. Ahmed Zaki Badr, the Local development Minister, Dr. Ahmed Darwish, the head of Suez Canal development board, Dr. Kamal Gad Shawiram, the President's chancellor of Projects Development and The general/ Amr Abd el- Moniem, Qulybia Governor. Dr. Shawiram stresses that Sinai should be developed as it is a promising industrial and agricultural territory.
