The University president inaugurates the New Stadiums at the University Hostel in Moshtohor and Launches «Our Beautiful City» Initiative

Prof.Dr. EL-Sayed EL-Kady, the university president asserts on the youth's role in developing the community.

He asks the university leaders to regularly communicate with the youth stressing that

president EL-Sisi pays a great attention to the youth. This statement concurs with university president's inauguration of the new stadiums at the university hostel in Moshtohor after renewing them.

The inauguration was held in the presence of prof.Dr. Gamal Ismail, the vice president of community service and environment development, prof.Dr. Gamal Sosa, the general supervisor of the university hostels, the faculties' deans, the secretary of the university and the staff members.

Prof.Dr. EL-Sayed EL-Kady, the university president also launches "Our Beautiful City" Initiative and football activities which were organized by the general administration of the university hostels in Benha, Moshtohor, Shubra, and Tokoh.

Benha team wins the competition of football and the university president awards the winning teams. The university president also urges all people to take care of the university hostels.
