The University President Inaugurates the University Hostel in Tokoh after its Closure for 11 Years

Prof.Dr. EL-Sayed EL-Kady, the university president inaugurates the University hostel in Tokoh after its Closure for 11 years.

This university hostel accommodates 220 students.

The university president inspects the food storehouse, the kitchens, the hostel's restaurants, the students' dorms, the students' activities and the gardens. The university president heaps praise on the employees of the hostels for doing their best to get the hostel back to work.

The inauguration was attended by prof.Dr. Gamal Ismail, the vice president of community service and environment development, prof.Dr. Gamal Sosa, the general supervisor of the university hostels, the faculties' deans, the secretary of the university and the staff members. The university president asserts that the university hostels seek to provide the best services to the university's
